

RF Module 8976

The image shows a rectangular RF module with a silver-colored metal surface. It has a green PCB edge on the right. A black probe is touching the left side. A label in the center contains the text 'RF Module 8976' and 'FCC ID: TAE8976'. There are small circular holes along the edges and a larger rectangular cutout on the right side.

FCC ID: TAE8976
